

2019-10-11-ALI-SEC-4_Halloween in Secondary school

Dear families and students,

Students of the BAC committee have been authorised to organize Halloween activities next **Thursday, October 17** during periods 4, 5 and 6. It is also possible that during these periods some classes have scheduled teaching activities as a test or exam. These teaching activities have priority and should not be cancelled. In period 7 classes will resume normally. Therefore, it is requested that after 6th period all students return to class with due seriousness.

Students may come in disguise to school but it is important that the costumes do not include potentially dangerous accessories such as sharp objects and that this does not interfere with the normal progress of the rest of the day's teaching activities. All activities will be supervised by teachers. We also ask that disguises that are too gloomy be taken into account as they can scare or impact the youngest of the school and hurt the sensibility of some people. We hope and trust that our students will maintain an attitude of respect and pleasant coexistence.

Kind regards,

José Luis HERNÁNDEZ
Deputy Head Secondary Cycle
