Tasks

- Adhere to the policies and procedures of the European School, Alicante.
- Work in a team and maintain a cooperative and respectful relationship with team Members, namely with the support coordinator, school psychologists and class/subject and support teachers.
- Maintain confidentiality in working.
- Participate in the different activities, contributing to the pupil's general education.
- Participate in meetings organised by the Management or their delegates.
- Participate in school visits and trips, when requested to do so by the Management.
- Participate, with the teacher(s), in parents' evenings and information meetings.
- Participate in training days.
- Participate in in-service training courses.
- Assist the teachers in planning, preparing and assisting the pupil having special educational needs during his educational activities.
- Prepare the room, take care of the room and maintain a clean environment.
- Provide practical assistance with record-keeping of the work of the pupil having special educational needs.
- Accompany and assist the pupil all time during his stay in school.
- Supervise and assist with a group's activity, after it has received the teacher's instructions.
- Monitor the work of the pupil having special educational needs and help him/her, if need be, by providing additional explanations.
- Prepare teaching equipment and material for the pupil having special educational needs.
- Promote good behaviour of the pupil having special educational needs, using positive discipline techniques.
- Observe the behaviour and development of the pupil having special educational needs and communicate the observations made to the teachers.
- Accompany the pupil having special educational needs and put him/her on the bus and collect him/her when he/she gets off the bus.
- Accompany and help the pupil having special educational needs to move around the school
- Help the pupil having special educational needs to move around from place to place in the school all time.
- Help keeping clean the pupil having special educational needs (personal hygiene).
- Change diapers of the pupil having special educational needs (personal hygiene)
- Help and ensure that the pupil having special educational needs eats and drinks, all time when needed during his stay at school
- Help the pupil having special educational needs to eat his meals and to drink his drinks.
- Take the pupil having special educational needs to the toilet, when needed.

- Take the pupil having special educational needs to the rest room and supervise his rest, when necessary or scheduled.
- Direct support to the pupils: participation in specific nursing and care activities
- General participation in the school's activities, including planning and preparation of activities
- Inform the management team and family regularly of educational improvements of the child for whom he/she will be in charge
- In addition, he/she may be assigned administrative duties by the Management, according to the school's needs, particularly should the pupil having special educational needs happen to be absent.

Qualifications

- Degree or qualification appropriate to the position in one of the European Union Member States
- Health and social worker qualifications and/or experience will be considered an asset
- Qualification and experience in the field of educational support, inclusive education, special educational needs will be considered an asset.
