ENTRY REQUIREMENTS AND PROCEDURE

The European School of Alicante Creative Writing Competition is open to all secondary school students. Students may submit as many entries as they want provided they are written in different languages. Students may also submit two entries in the same language if they belong to different categories. All entries will be submitted digital, by mail to ALI-LIBRARY@eursc.eu, using the subject: **Creative Writing Competition 2024**.

To ensure that judging of the entries is blind, the student's name must NOT appear anywhere on the text. Each page of entry must carry the student's pen name: i.e. ROWLING. Each entry must be submitted by mail to ALI-LIBRARY@eursc.eu in a file attached which states the student's year group and the language of the entry followed by the student's pen name, all in capital letters, as shown in this example: S5EN-ROWLING

The judges reserve the right not to give an award in one or more categories if they deem that no submissions meet the standards to earn an award. All decisions made by the judges are final.

The prizes will be awarded at a ceremony organized by the School.
